

## Development – GolfBox Tournament (August 28. 2014)

### Finished functions and fixes

For a complete list of new functions and fixes, please see this page:

<https://golfbox.zendesk.com/hc/en-us/articles/200593958-New-updates-to-GolfBox-Tournament-module>

### Future functions and fixes

Area	Sub Area	Description2
Admin - Start List	Generate	Group / Sort startlist by class
General		If a player has a mobile number with only one digit the queue for sending SMS will break and be blocked
Admin - Entries	Edit	The option to chose whether a player should count on the resultlist for a given class
Admin - Entries		Show warning message when entering players without playing right

Admin - Entries		Players will get an auto-generated mail when they are entered into a competition and when they are deleted
Admin - Entries		Name search for Belgian Players
Admin - Results	Handicap adjustment	CBA/CSS calculation must be done on the competition hcps - not on a new lookup in the databases
Admin - Results	Handicap adjustment	Handicap adjustments can be shown in a list and exported to CSV/Excel
Admin - Results	Handicap adjustment	Transfers handicap changes to CDH
Admin - Results	Leaderboard	Leave out players with the mark "should not count on result list"
Admin - Results	Scoring	When selecting OPEN FOR SCORING you must be stopped if the draw has reserves or ineligible players
Admin - Results		Missing the current leaderboard for a team stroke play competition with x best rounds counting
Admin - Setup	Basics	A competition can be run without start lists
Admin - Setup	Classes	Set up competition to have an overall maximum number of players - not by class
Admin - Start List	Edit	Show HCP Status as extra info when editing a start list
Admin - Start List	Edit	Show "Current Position" as extra info when editing a start list
Admin - Start List	Edit	When a start list is edited and saved all manually set tees are lost
Admin - Start List	Generate	Option for creating a startlist by current position with multiple classes that merges
Admin - Start List	Reports	There are periodic timeouts when printing scorecards via JAVA
Livescoring	Info	Methode the scoring in french is to long and breaks to a new line on the INFO page
Online Entry		In a team competition the request for early/late tee time is not saved in the database
Admin - General	Reports	Reports for R&A
Admin - Results	Leaderboard	Exclude players with ineligible HCP Status if the class setup dictates this
Admin - Setup	Classes	Include players with EGA HCP Status Inactive if the class setup dictates this
Admin - Setup	Classes	It's possible to delete a class after the startlist has been made - this should not be possible
Admin - Setup	Classes	Set up competition to have a maximum number of players but no reserve list
Admin - Setup	Decisions	New decision on ties - Lowest Playing Handicap
Admin - Setup	Format	Stroke Allowance for teams must be included in the calculation
Admin - Start List	Reports	The start list report does not work in Match Play
Admin - Start List	Reports	Reports for Match Play
Admin - Start List		If R2 is based on leaderboard and R3 is based on R2 (exactly the same), then R3 cannot be created before R2 is done
General		Belgium must be isolated as country

Settings	Standard Fees	Fee must be stamped on the player, so it can be changed afterwards individually
Admin - Entries	Edit	A teams questions can be edited, but it is not saved
Admin - Entries	Entry List	Show reservelist number on the signup/reservelist as administrator
Admin - Entries	Exemptions	List/report over Excemptions If early/late starttime request was enabled and is later on disabled the update of entries can break if an entry has a starttin
Admin - Entries	Update Entries	request registered Contact info must be hidden if you are not allowed to see them
Admin - Entries	Competition List	Column with number of signups is missing from the tournament list
Admin - General	Competition List	To and from dates as a quickfilter on the tournamentlist
Admin - General	Reports	In Word reports tournament logos are stretched a little higher than they should be After transferring NR results to an Eclectic Order of Merit the OOM shows an error
Admin - Order Of Merit	Handicap	
Admin - Results	adjustment	If the player picked up the ball in a stableford round a total gross score should not be submitted
Admin - Results	Handicap	
Admin - Results	adjustment	Handicap adjustments should not be sent for former members and non union members
Admin - Results	Handicap	
Admin - Results	adjustment	Report of handicap adjustments for non automatic transfers is missing
Admin - Results	Handicap	
Admin - Results	adjustment	Report with all adjustments pr. Coursestart is missing
Admin - Results	Handicap	
Admin - Results	adjustment	How to handle within the same course start that only one class is handicap counting
Admin - Results	Handicap	
Admin - Results	adjustment	Send mail to sport@golfbelgium.be with ID of hcp adjustment
Admin - Results	Match Play	Show seeding for each player in brachets
Admin - Results	Order of Merit	Join dublets by name when transferring to OOM
Admin - Results	Order of Merit	Only results where status "playing" should default be crossed off and transferred
Admin - Results	Reports	When printing a leaderboard report including team members you get an error in foursome/greensome
Admin - Results	Reports	Total resultlist across all classes is missing
Admin - Results	Reports	List with transferred results to a given OOM
Admin - Results	Reports	In leaderboard report ALL CLASSES should be available
Admin - Results	Reports	Result list for a specific round only is missing

Admin - Results	Scoring	Reset scoring in matchplay does not remove winners from the following rounds
Admin - Setup	Basics	Passwords on tournaments is missing
Admin - Setup	Classes	When creating a new class, the standard waitingliste principle should be after signup date and not lowest handicap
Admin - Setup	Courses	Country, club and standard course should be chosen when searching for a course
Admin - Setup	Decisions	New decisions in teamtournaments / best non counting scores
Admin - Setup	Decisions	Decisions on even scores (last equal/un-equal scores last 9, 6, 3, 1) is missing
Admin - Setup	Format	Set correct standards for handicap stroke allowance in team tournaments
Admin - Setup	Publishing	New choices to show on livescoring (membervnumber, HCP, SPH etc.)
Admin - Setup	Publishing	Show link to livescoring for the current competition
Admin - Setup	Reports	Report with tournament conditions and practical information If you have a teamtournament with team signup, and you later remove the teamclass, the signup setting should be reset to player
Admin - Setup	Signing Up
